Tuition - The amount of tuition is based on the school year and is divided into nine equal parts. No refunds will be made for short or long absences. This includes holidays, snow days and any emergency closings.

ADMISSIONS

Peachtree Corners Baptist Church Preschool accepts applications for enrollment on the following basis:

1. First consideration is given to members of PCBC who are currently enrolled in the weekday preschool .
2. Second consideration is given to the students enrolled in the school (non-church members).
3. Third consideration is given to PCBC church members not currently enrolled in the weekday preschool.
4. Applications are then accepted for the remaining places in the classrooms on a first-come basis.
5. Peachtree Corners Baptist Preschool strives to accommodate children with varying abilities, but whose potential achievement is not incapacitated by special learning disabilities, emotional disturbances, hyper-activity, behavior problems or severe orthopedic, visual or hearing disabilities. Peachtree Corners Baptist Church School is limited in professional staffing prepared to give assistance to children with the above described conditions. Any difficulties of which the school board should be cognizant must appear on the registration form. Presence of conditions does not mean that admission will not be granted; rather the school board must determine if staffing, organization and finances are available to meet the child 's needs. Parents may be asked to assist in the financial responsibility of additional personnel. If our preschool cannot meet the needs of a child, we reserve the right to discontinue enrollment of said child.
6. Enrollment at PCBC is not limited to any race or nationality origin. It is the desire to meet development levels of all students, and to maintain appropriate student-teacher ratios. PCBC cannot accept more than two (2) non-English speaking students in any given classroom.
7. Class enrollment is on a first come, first serve basis. Adjustments may be made to maintain distribution of boys and girls in the class. (This includes waiting list.) Other adjustments may be made to meet the needs of the individual students and the obligations of the school.

CONDITIONS FOR POTTING TRAINING

A child entering the preschool MUST be fully toilet trained, i.e., (1) children are able to verbally communicate to the Teacher their toilet needs, (2) a child cannot undress to go to the potty, (3) pull ups can be worn if they are free of daily accidents at school. If a child is not toilet trained, it may result in him/her not being able to enter the classroom and the Registration Fee and first month 's tuition *will not be refunded.*
